BETTER THAN CALOMEL

Thousands Have Discovered Ds. Edwards' Olive Tablets are

a Harmless Substitute Dr. Edwards' Onve Tablets-the substitute for calomel-are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays have with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets

take Its place.

Most headaches, "duliness" and that lazy feeling come from constipad tion and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clouded brain and how they "perk up" the spirits. At 10c and 250 per box. The Olive Tablet Company olumbus, Ohio.
